

TAKE A CHANCE ... ON A CASE OF AWARD WINNING WINE!

You could be the lucky winner of one mixed case of locally made Los Cinco Locos Wine: 3 bottles each of Cabernet Sauvignon, Pinot Noir, Syrah, and Merlot. This wine is made by five friends in a tiny winery in Montecito. The grapes come from the Central Coast's top vineyards, and the wine has won numerous awards and been favorably reviewed in *Wine Country* magazine.

The five friends make wine for their own enjoyment and love to share it with friends and family. Each year they donate more than half of their output to Santa Barbara charities and nonprofits. For the second year in a row, the vintners have generously donated a case to Audubon's Auction.

Cash value is \$1000, but this wine is not for sale at any price.
